

Assistant Vice President – Risk Management

MDAdvantage Insurance Company of New Jersey, a leading provider of medical professional liability insurance located in Lawrenceville, NJ, is currently seeking an Assistant Vice President of Risk Management to join our team. In this integral and highly visible role you will be responsible for developing, promoting, delivering developing, directing and leading all risk management services, including premium discount incentives; promoting risk management services through media resources, renewal packages, mailings, etc; delivering and/or coordinating risk management educational programs, seminars and workshops; designing/enforcing/monitoring risk management guidelines; conducting on site client practice assessments at locations throughout the State, reviewing claim trends and other related duties.

To qualify, you must possess a Bachelor's degree, as well as a health care-related degree and clinical experience. A strong knowledge of professional liability programs, legal requirements, health care law, health care delivery systems, loss control principles, and claims administration is a must. Excellent presentation/written and verbal skills with the ability to multitask as an integral part of a team are essential for your success. Advanced computer skills in the use of word processing, spreadsheet, and presentation packages a must.

MDAdvantage Insurance Company of New Jersey offers a very competitive benefits package. Please forward your resume to cbowman@mdanj.com. For additional information on MDAdvantage of New Jersey, please visit our web-site at www.mdadvantageonline.com
