MDAdvantage Presents:  

Chaos & Mayhem:  
DOCTOR, DO YOU REALLY WANT TO SELL YOUR PRACTICE?

Wednesday, October 26, 2016  
5:30 p.m. – 8:00 p.m.  
MDAdvantage Insurance Company Conference Room  
100 Franklin Corner Road, Lawrenceville, NJ

Physician practice structures are changing in response to the evolving healthcare environment. More and more physicians are considering the implications involved with trading the autonomy of private practice for the security of employment. Come hear from physicians who have been through the process of selling a practice and from experts who can provide perspectives from all sides. During this workshop, we will discuss:

- The legal considerations of selling a practice
- The hospital’s perspective of a physician practice purchase
- Questions to ask before you consider selling your practice
- And what if it doesn’t work...

Target Audience: Physicians and/or practice administrators who are considering the implications of selling their practice or unraveling a practice that has been sold.

Speakers:

- Hon. Paul W. Armstrong, JSC (Ret.), Morris County Superior Court Judge (Facilitator)
- Captain Joseph P. Costabile, MD, Virtua Surgical Group and President, Medical Society of New Jersey
- Paul J. Hirsch, MD
- Judith M. Persichilli, RN, BSN, MA, Former President and CEO, Catholic Health East
- Michael Schoppmann, Esq., President, MLMIC Services, Medical Liability Mutual Insurance Company

Preregistration is required. To register, complete this form and fax back or register online at www.MDAdvantageonline.com under “upcoming seminars.”
